## Ten Thing We Love About Our Home ....and a couple more

1. Comfortable home with lots of Craftsman charm and many modern conveniences.
2. Our finished basement home office, the huge large laundry space and all that storage.
3. Our master bedroom suite really is an in-home oasis!
4. Great walking neighborhood with restaurants, coffee shops, grocery shopping, hair salon, banking, schools and more.
5. Great parks nearby like Lincoln Park, Lowman Beach & Morgan Junction Park.
6. Friendly neighbors - lots of them.
7. Marvelous views of the Olympic mountains, Puget Sound, Blake Island and the Kenny tower - beautiful at night!
8. Easy access to The Junction and farmer's market, which we love.
9. Easy access to Downtown Seattle where we both worked.
10. Family orientated area with lots of kids and dogs in the neighborhood.
11. Christmas carols at Lowman beach that can be seen and heard right from our deck.
12. Watching the fireworks on the 4th of July from all over the Kitsap Peninsula.
